

Capability Statement

Veterans Business Services, LLC (VBS) provides custom consulting services for Veterans Readiness & Employment (VRE). VBS is a small business with a SDVOSB certification. VBS is committed to excellence and creating innovative, price competitive, and flexible solutions for Vocational Rehabilitation Counselors (VRC). Our past participation with the Chapter 31 Program shows tested performance-based processes that validate small business concepts and help develop training solutions.

- VBS will provide a complementary evaluation and recommends appropriate free small business courses and mentoring opportunities for a VRC and their Veteran clients.
- VBS has completed competitive VA Feasibility Studies for multiple VRE District Offices and will provide VRE References on request.
- James F. Mingey, the Principal, has direct personal experience with Self Employment at VRE.
- VBS participates in client Self Employment Panels (SEP) helps VRC with case follow ups.
